المحاور: الرعاية الصحية والابتكار في
المجال الطبي وسياحة الاستشفاء

Wednesday, 19th October 2011

Hotel Marriott Vienna
Parking 12a, 1010 Vienna

The **Austro-Arab Chamber of Commerce (AACC)** has the pleasure to announce the

“5th Arab-Austrian Economic Forum & Exhibition / Focus on: HEALTH Care, Innovation & Tourism”

to take place on Wednesday October 19th, 2011.

The annual Arab-Austrian Economic Forum offers a unique platform in Austria for the exchange of knowledge and the deepening of the Austro-Arab relations in economy, trade, culture and diplomacy.

This year, the focus is specifically on the topic of HEALTH: politicians, senior representatives, experts and companies from Austria and the Arab countries will be present and are going to discuss recent developments and opportunities in healthcare, health tourism and medical innovations.

The "5th Arab-Austrian Economic Forum & Exhibition", with its discussion panel and integrated exhibition, offers an ideal location for encounters, networking and information exchange.

About the Austro-Arab Chamber of Commerce (AACC)
The AACC is a link between Austria and the Arab countries. It is specialised in providing a network of services and valuable information to businesspeople, companies and institutions. Its main objective is to support, promote, and enhance economic and trade activities in both regions. Its expertise, activities and connections to key figures in economy and trade, renders the AACC the ideal partner to engage for business between Austria and the Arab countries.
